

# Geami WrapPak® M

Easy to use,  
**perfect presentation**

## Presentation

Perfect in-the-box presentation enhances the customer unboxing experience

## Flexible

Converter can be placed anywhere without the need for electricity

## Cost effective

Less material is needed to provide optimal protection

## Wrap your products for a perfect presentation

Geami WrapPak is the combination of a patented die cut kraft paper with a tissue interleaf paper. The Geami WrapPak Manual (M) converter expands the die cut paper to a 3D honeycomb structure providing a unique wrapping product. By locking the angled cells together, items are firmly wrapped and no tape is needed. Designed as a manual system, the Geami WrapPak M does need electricity, making it the perfect solution for mid-volume applications.

## Go Green

Our company works with FSC and SFI certified suppliers. Paper is a recyclable and a renewable source.

## Specifications:

### Converter

- Dimensions: 28" x 19" x 13"
- Weight: 33 lbs.

### Die Cut Paper

- Base Weight: 50#
- Color: Brown or White
- Unexpanded Roll Length: 1,000'
- Expanded Roll Length: 1,680'
- Unexpanded Paper Width: 20"
- Expanded Paper Width: 14"

### Interleaf Paper

- Base Weight: 15#
- Color: White
- Roll Length: 3,360'
- Paper Width: 12"

## Our Added Value

### Packaging Engineering

Ranpak will analyze your current packaging solution and perform a drop test, demonstrating how much shock is transmitted to your products through the packaging. Ranpak then suggests proper packaging techniques to improve protection and save costs.

### Integrated Applications

The Ranpak Custom Engineering department can design modifications, customizations and other innovative solutions to integrate the packaging converter anywhere around, above or under a packing area.

### Packaging Training

Training from our packaging experts can help your packers use up to 20% less packing material without compromising the quality of the packaging.

## Successful in these industries

Cosmetics	Housewares	Food/Beverage	Pharmaceuticals
Electronics	Glassware	e-Commerce	Logistics
